I have a custom UITableViewController which I have created. However, I do not want this VC to be shown in the navigation bar or in the tab bar. How can I achieve this? A: The documentation has a section on displaying your view controller as a root view controller. Using this approach, you will be able to "hide" the table view by default, but show it whenever a particular segue or view controller is presented. - 3 3 8 8 0 4 8 0 = 0 . - 1 4 0 , - 2 / 5 , 4 , 4 6 4 F a c t o r 5 * r * * 2 + 7 7 6 9 7 0 * 2d92ce491b
