

[VRS-PC] Milviz DHC-3 Otter Redux - Workshop for FSX Steam Edition

Hi friends, welcome to FARTURES, a brand new website that I have been working on for the last few weeks. It will be dedicated to new FSX/FSX Steam Edition aircraft. Along the way I will also post some PC building guides, aircraft modification plans and aircraft reviews. Here is a video of a take off on my first flight with the Milviz. PC-6 : Welcome to my new personal website "FARTURES" dedicated to Aircraft simulation, aerial photography, photography, PC building and general aviation. You will find on this site a ton of resources that you can use for yourself or share with other simmers. In particular I will soon have for sale a first version of my new airplane but also some other projects will be coming soon. I hope you enjoy, feel free to write me if you have any comment or suggestion.
