Grouping files into a folder and creating output Apply basic transformations like cuts and fades Merge multiple videos Merge audio clips Modify filenames Support for popular media players It is also possible to have multiple instances of the software on your computer. Join (Merge, Combine) Multiple FLV Files does not require registration. Join (Merge, Combine) Multiple FLV Files Final Verdict: Join (Merge, Combine) Multiple FLV Files is relatively simple to use, and it seems a solid and more affordable option than others of its kind. However, this piece of software is not free or available for download, and it does not offer special features or multiple instances on the same computer. Advantages: - Easy to use - Fast - Configurable Disadvantages: - Not free or available for download Join (Merge, Combine) Multiple FLV Files is a software tool for merging multiple FLV files. It allows users to combine multiple FLV files into one file, and to separate multiple audio files into separate files. Johnny Depp says being a dad 'would be somewhat of a shock' 'Pirates of the Caribbean: Dead Men Tell No Tales' has just started production and it looks like Johnny Depp's character Jack Sparrow is coming to town again. The 51-year-old actor has been married to Toni Collette for 22 years and they have two kids, 21-year-old Jack and 21-year-old Lily-Rose. Talking to eonline on the set of the movie, he admits he's thrilled about fatherhood, saying, "I think it would be somewhat of a shock. A little bit. Who knows? I'm incredibly lucky. I love my family. I love my wife. I love my kids. I love my work. I love what I do. So for now, I'm very happy and we're very lucky." He added, "I'm very, very happy that I've been able to have two children with a wonderful woman. It's an amazing feeling. I'm so blessed." Depp and wife Toni seem to be adjusting to fatherhood very well and they couldn't imagine what it would be like to raise kids of their own. "I think a lot of people joke about, 'Oh, you're going to go play fantasy football.' Well, I don
